Synopsis

The Pevensie siblings travel back to Narnia to help a prince denied his rightful throne as he gathers an army in a desperate attempt to rid his land of a false king. But in the end, it is a battle of honor between two men alone that will decide the fate of an entire world.

Prince Caspian is the fourth book in C. S. Lewis's classic fantasy series, which has been captivating readers of all ages with magical lands where animals talk and trees walk for over sixty years. This is a stand-alone novel, but if you would like to journey back to Narnia, read *The Voyage of the Dawn Treader*, the fifth book in *The Chronicles of Narnia*. [Courtesy of the Publisher]

Before you read these chapters:

The **protagonist** in most novels features the main character or “good guy.” The protagonist of *Prince Caspian* actually has five protagonists, Prince Caspian, as well as Peter, Susan, Lucy and Edmund Pevensie, who once again are drawn unexpectedly back into the land of Narnia for more exciting adventures. Do you think it will be a good thing having more than one protagonist or not? Please defend your answer.

Extension Activity

A Comic Strip

This activity is especially for students with an artistic flair or who love comic books! It can be done for any event up to this point in the story. The first step is to decide on the length of your comic strip (6 to 9 frames is suggested); next consider what events you will include. You may wish to highlight a brief incident (i.e. Susan finds the chessman), or include the highlights of the novel to this point. A quick sketch of the comic strip can first be accomplished in a **storyboard format** before a final, good copy is attempted. The strip should include a title, dialogue, and color. It should be neat and imaginative.
