This curriculum unit can be used in a variety of ways. Each chapter of the novel study focuses on several chapters of *The Search for Delicious* and is comprised of five of the following different activities:

- Before You Read
- Vocabulary Building
- Comprehension Questions
- Language Activities
- Extension Activities

### Links with the Common Core Standards (U.S.)

Many of the activities included in this curriculum unit are supported by the Common Core Standards. For instance the *Reading Standards for Literature, Grade 5*, makes reference to:

- a) determining the meaning of words and phrases. . . including figurative language;
- b) explaining how a series of chapters fits together to provide the overall structure;
- c) compare and contrast two characters;
- d) determine how characters . . . respond to challenges;
- e) drawing inferences from the text;
- f) determining a theme of a story . . . and many others.

A principal expectation of the unit is that students will develop their skills in reading, writing, listening and oral communication, as well as in reasoning and critical thinking. Students will also be expected to provide clear answers to questions and well-constructed explanations. It is critical as well that students be able to relate events and the feelings of characters to their own lives and experiences and describe their own interpretation of a particular passage.

A strength of the unit is that students can work on the activities at their own pace. Every activity need not be completed by all students. A *portfolio cover* is included (p.7) so that students may organize their work and keep it all in one place. A *Student Checklist* is also included (p.6) so that a record of completed work may be recorded.

**Themes** which may be taught in conjunction with the novel include good versus evil, loyalty, personal growth, the power of words, accepting responsibilities, and leadership.

Synopsis

Twelve-year-old Gaylen, the King's messenger, is off to poll the kingdom, traveling from town to farmstead to town on his horse, Marrow. At first, it is merely a question of disagreement at the royal castle over which food should stand for Delicious in the new dictionary.

Then Gaylen's quest leads him to unusual characters, including a minstrel who sings about a mermaid child, and Ardis, who might save the kingdom from havoc. And soon it seems that the search for Delicious had better succeed if civil war is to be avoided. [The Publisher]

Spirited and humorous, sensitive without ever being sad. - New York Times Book Review.

Prologue – Chapter 2 (Gaylen had lived...)

Before you read the chapter:

The protagonist in most novels features the main character or “good guy”. The main character of The Search for Delicious is Gaylen, a twelve-year-old boy sent on a critical mission by the King – to poll the people of the kingdom to find out the meaning of Delicious. Think back on some of your favorite characters from past novels you have read or movies you’ve seen. What do you think makes for an interesting and memorable protagonist?

Vocabulary:

Choose a word from the list to complete each sentence.

</tr>
</tbody>
</table>

Language Activities

A. Anagrams

An anagram is a word that is formed by changing the order of the letters of another word. For example, the letters in the word **WAS** can also form the word **SAW**. Follow these directions to form the anagrams:

a) read the clue in the right-hand column.

b) Using the word in the left-hand column move the letters around in any order, but you must use all the letters. All of the words in the left-hand column can be found in the first part of *The Search for Delicious*.

<table>
<thead>
<tr>
<th>Word</th>
<th>Anagram</th>
<th>Clue</th>
</tr>
</thead>
<tbody>
<tr>
<td>great</td>
<td>Shred (as in vegetables).</td>
<td></td>
</tr>
<tr>
<td>spill</td>
<td>Medicinal substances.</td>
<td></td>
</tr>
<tr>
<td>ears</td>
<td>Burn lightly.</td>
<td></td>
</tr>
<tr>
<td>lived</td>
<td>Beelzebub.</td>
<td></td>
</tr>
<tr>
<td>trees</td>
<td>Boy bovine.</td>
<td></td>
</tr>
<tr>
<td>forest</td>
<td>The ___ (A TV series which began in 2013.)</td>
<td></td>
</tr>
<tr>
<td>earth</td>
<td>Principal organ.</td>
<td></td>
</tr>
</tbody>
</table>

Now find two additional words from this first section which have interesting anagrams to see if you can stump a classmate.
As most everybody knows, a mermaid is a legendary creature with the head and upper body of a female human and the tail of a fish. But did you know that the first stories of mermaids appeared on the scene many centuries ago in ancient Assyria? Did you know that Christopher Columbus, on his journeys to the New World recorded sightings of mermaids? Since then mermaids have appeared in countless books and stories and have even been featured in popular Hollywood movies (*The Little Mermaid, Splash*).

**C. Personification** is giving human qualities to something that is not human. The following example is taken from Chapter Two: \( \ldots \) the castle tower rose high and watchful and serene...\)

Describe how the tower is personified in this example.

Create your own example of personification.

As you continue to read through the novel be on the lookout for other examples of this literary device. If you should find one, come back to this question and enter it below. (Hint: There is an example of personification in the Prologue.)
Many authors enjoy using **alliteration** – a literary device where the author repeats the same sound at the beginning of several words. Here's one such example: from Chapter One: … *Bulky is a big bag of boxes.*

Using your imagination, create your own examples of **alliteration** from the following topics. Each example must contain a minimum of **three** words.

<table>
<thead>
<tr>
<th>A royal crown</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>A competition involving old trucks.</td>
<td></td>
</tr>
<tr>
<td>Your choice.</td>
<td></td>
</tr>
</tbody>
</table>

E. Many English words can have more than one meaning. This is especially true of words that can be used as both a noun and a verb. For the following create sentences to illustrate the meaning of each word as a noun and as a verb.

**Word:** place

<table>
<thead>
<tr>
<th>Noun</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Verb</td>
<td></td>
</tr>
</tbody>
</table>

**Word:** water

<table>
<thead>
<tr>
<th>Noun</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Verb</td>
<td></td>
</tr>
</tbody>
</table>

**Word:** watch

<table>
<thead>
<tr>
<th>Noun</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Verb</td>
<td></td>
</tr>
</tbody>
</table>
## Extension Activity

### Storyboard

A storyboard is a series of pictures that tell about an important event in a story. A story-board can tell the story of only one scene – or the entire novel. Complete the story-board below illustrating the events described in the Prologue and first section of our novel. You may wish to practice your drawings on a separate piece of paper.
