Suggestions and Expectations

This curriculum unit can be used in a variety of ways. Each chapter of the novel study focuses on two chapters of The Whipping Boy and is comprised of five of the following different activities:

- Before You Read
- Vocabulary Building
- Comprehension Questions
- Language Activities
- Extension Activities

Links with the Common Core Standards (U.S.)

Many of the activities included in this curriculum unit are supported by the Common Core Standards. For instance the Reading Standards for Literature, Grade 5, makes reference to:

a) determining the meaning of words and phrases... including figurative language;
b) explaining how a series of chapters fits together to provide the overall structure;
c) compare and contrast two characters;
d) determine how characters ... respond to challenges;
e) drawing inferences from the text;
f) determining a theme of a story... and many others.

A principal expectation of the unit is that students will develop their skills in reading, writing, listening and oral communication, as well as in reasoning and critical thinking. Students will also be expected to provide clear answers to questions and well-constructed explanations. It is critical as well that students be able to relate events and the feelings of characters to their own lives and experiences and describe their own interpretation of a particular passage.

A strength of the unit is that students can work on the activities at their own pace. Every activity need not be completed by all students. A portfolio cover is included (p.7) so that students may organize their work and keep it all in one place. A Student Checklist is also included (p.6) so that a record of completed work may be recorded.

Themes which may be taught in conjunction with the novel include friendship, loyalty, personal growth, trust, heroism and courage, generosity and kindness.

Synopsis

Jemmy, once a poor boy living on the streets, now lives in a castle. As the whipping boy, he bears the punishment when Prince Brat misbehaves, for it is forbidden to spank, thrash, or whack the heir to the throne. The two boys have nothing in common and even less reason to like one another. But when they find themselves taken hostage after running away, they are left with no choice but to trust each other.  

A rollicking tale of adventure and mistaken identity, written in a style reminiscent of 19th-century melodrama – Kirkus Reviews

The Chipping Boy is also a Newbery Medal Winner

Language Activities

A. Anagrams

An anagram is a word that is formed by changing the order of the letters of another word. For example, the letters in the word WAS can also form the word SAW. Follow these directions to form the anagrams:

a) read the clue in the right-hand column.

b) Using the word in the left-hand column move the letters around in any order, but you must use all the letters. All of the words in the left-hand column can be found in the first two chapters of The Whipping Boy.

Now find two additional words from the first chapter which have interesting anagrams to see if you can stump a classmate.

Good to Know ~ The Whipping Boys

As is mentioned by the author in his Note at the end of the novel, there were actual whipping boys in the English courts during the monarchies of the 16th and 17th centuries. Whipping boys were generally educated with the prince from birth and because the prince and whipping boy grew up together they often formed a strong friendship, especially since the prince usually did not have playmates as other children would have had. The bond that developed between a prince and his whipping boy increased the effectiveness of using a whipping boy as a form of punishment for a prince. The idea of the whipping boy was that seeing a friend being whipped or beaten for something that he had done wrong would be likely to ensure that the prince would not make the same mistake again.
B. Even Shakespeare liked to write Quatrain Poems.

The **quatrain** is a popular form of rhymed verse. It is a poem of **four** lines, is usually light and can be humorous. The following famous quatrain was written by the great writer, William Shakespeare, and is taken from **Sonnet 18**.

*Shall I compare thee to a summer's day?*
*Thou art more lovely and more temperate:*
*Rough winds do shake the darling buds of May,*
*And summer's lease hath all too short a date.*

Various rhyming schemes make up a quatrain poem. As you can see, the above four lines have a rhyming scheme of  **A – B – A – B**  Other rhyming schemes include: AABB, AAAA, AABA, ABBA, ABBB, and AAAB.

Your task is to write your own quatrain poem. You may choose a rhyming scheme that fits with your own personal creation. The theme should have something to do with the themes established in the first two chapters of our novel.

### The Quatrain Poem

Now create your own Quatrain Poem. Your poem must follow the format of a quatrain poem described above (and must rhyme).

C. Many authors enjoy using **alliteration** – a literary device where the author repeats the same sound at the beginning of several words. Here’s one such example: from Chapter One: … a cackle of *hah-hahs* and *haw-haws* and *hee-hee-hees*.

Using your imagination, create your own examples of **alliteration** from the following topics. Each example must contain a minimum of **three** words.

<table>
<thead>
<tr>
<th>The croak of a bullfrog.</th>
</tr>
</thead>
<tbody>
<tr>
<td>The sound of a muscle car.</td>
</tr>
<tr>
<td>Your choice.</td>
</tr>
</tbody>
</table>

D. A **simile** is a comparison using the words “like” or “as”. An example from Chapter Two is: … *and beat the whipping boy like a carpet.*

~ What is being compared in this example?

Invent your own **similes** comparing the following items with something from your own imagination:

a) an incredible sword fight

b) the sound of a siren

c) your choice
**Extension Activity**

**Storyboard**

A storyboard is a series of pictures that tell about an important event in a story. A storyboard can tell the story of only one scene – or the entire novel. Complete the storyboard below illustrating the events described in the first two chapters of our novel. You may wish to practice your drawings on a separate piece of paper.
